To champion road compliance and prioritize your safety

06 Scope of Services

07 Additional Services

08 Contact Details

Road Compliance Agency is a reputable organization with a highly skilled team that brings together extensive experience in the motor vehicle industry, legal field, and compliance. With a combined expertise of over 10 years, our team is dedicated to providing exceptional services and exceeding client expectations. We have consistently built a strong reputation for our commitment to compliance, accuracy, integrity, and confidentiality.

Our founder, Mr. Hloni Masuku, serves as the Chief Compliance Officer of the agency. Alongside our founder, our team members share a deep understanding of the complexities of the motor vehicle industry and have a proven track record of delivering exceptional results.

At Road Compliance Agency, our mission is to facilitate compliance with the regulations outlined in the National Road Traffic Act 93 of 1996. We provide expert guidance and assistance to motorists, fleet companies, car dealerships, and all road users in navigating the complex landscape of road regulations. By ensuring adherence to these regulations, we strive to create safer roadways for everyone.

To further promote road safety, we actively participate in the regulation of traffic across South Africa. Working closely with authorities, we help implement and enforce effective measures that contribute to safer roads.

“We strive to create safer roadways for everyone.”

In addition, we specialize in developing comprehensive driver's and leased vehicles user policies for both small and large fleets. By tailoring these policies to meet legal requirements and safety standards, we assist businesses and individuals in safeguarding their operations and ensuring compliance.

Furthermore, we conduct informative workshops on road rules and regulations, providing valuable insights into the National Road Traffic Act. These workshops cover essential topics such as Traffic Violations, Traffic Law Enforcement and Infringement Notices (Fines), helping individuals and businesses gain a better understanding of their legal obligations on the road.

Our Commitment

At the National Road Compliance Agency, we are committed to strict adherence to regulations outlined in the National Road Traffic Act. Our team stays up-to-date with any legislative changes or updates, ensuring our clients receive accurate and reliable guidance.

Our mission at the National Road Compliance Agency is to champion road compliance and prioritize your safety by facilitating compliance with the rules and regulations outlined in the National Road Traffic Act 93 of 1996. We are dedicated to guiding and assisting motorists, fleet companies, and car dealerships in navigating the complex world of road regulations. Through our comprehensive services and educational programs, we empower all road users to stay compliant and ensure safer journeys for everyone.

Our Motto

Compliance Made Easy, Roads Made Safe' underscores our dedication to simplifying compliance while prioritizing the safety of all road users.

1

Registration and Licensing of Motor Vehicles:

We handle the process of registering and licensing motor vehicles for individuals and businesses, ensuring a smooth and compliant experience.

2

Manufacturer, Builder, Importer, and Number Plate Registration:

We handle the registration process for manufacturers, builders, importers, and manufacturers of number plates, ensuring they meet all legal requirements.

3

Road Safety and Traffic Regulation:

Our agency is committed to enhancing road safety by actively participating in the regulation of traffic across South Africa. We collaborate with authorities to implement and enforce measures that contribute to safer roadways.

4

Driver's/Leased Vehicles User Policies:

We specialize in drafting comprehensive driver's and leased vehicles user policies for both small and large fleets. Our tailored policies ensure that businesses and individuals meet legal and safety standards while using vehicles under their ownership or lease.

5

Workshops on Road Rules and Regulations:

We conduct driver's workshops to educate individuals and businesses on road rules and regulations, including insights into the National Road Traffic Act. These workshops cover essential topics such as Traffic Violations, Traffic Law Enforcement and Infringement Notices (Fines), and other pertinent aspects, fostering a better understanding of legal obligations on the road.

6

Ensuring Adherence to Regulations:

At Road Compliance Agency, we prioritize ensuring strict adherence to regulations outlined in the National Road Traffic Act. Our team is committed to staying abreast of any updates or changes in legislation, providing our clients with up-to-date and reliable guidance to navigate the complex regulatory landscape.
